Should you have questions or need additional information please contact me.

Sincerely,

Craig Daugherty  
Fire Chief

**If 2 numbers:**

**lower number = rating for anything within 1000 feet of a fire hydrant/water source  
and within 5 road miles of Fire Station**

**higher number (below 10) = within 5 road miles of Fire Station but beyond 1000 feet  
from hydrant**

**Class 10 = outside 5 road miles from station**
